I want to say thank you for the opportunity to join you on your journey as a church over the last five and a half years. Thanks very much for all the recent kind words and for your thoughtful and generous leaving gifts. I will not become a stranger, and hope to still be involved with the Christian Aid Book Sale here should the church continue to host it. I have always summed up the story here as 'a good church with good people doing good things' and, as such, that made my job to share your story so much easier. Every blessing for the future.

With all best wishes, Gillian
